

# WINTER OUTREACH

*HART (Homeless Assistance Resource Team) of Orangevale & Fair Oaks is reaching out to the unhoused people in our communities to assist with coping with winter cold and wet weather and give a hand toward greater independence.*

We are gathering winter survival supplies of gloves, scarves, rain ponchos, warm blankets, sleeping bags, socks, underwear, sweatshirts, flashlights, hand-warmers and ready-to-eat meals. HART teams will meet with our unhoused neighbors to distribute needed supplies.
